

SEASON'S GREETINGS!

Seems like it was just the other day that I put away the Christmas decorations. Hard to believe another year has passed so quickly.

It's been a good year for our Village. We've seen growth both in residential areas and commercial development. Hopefully, industrial growth is on the horizon. The expansion and renovation of our Seed Cleaning Plant will also be a major asset, not only to our community, but the surrounding county residents as well. Without their support of our school and businesses we would have much more difficulty with viability. I am confident that you will support both our new and old business venues.

Growth is not always easy, and there are growing pains, but it is necessary. It helps with our tax base and the more amenities we offer, the more appealing we are to future residents.

During the holiday season let's take the time to reflect on the many attributes that living in Clive brings. I am sure that you share in my pride of our vibrant community.

May this Christmas season bring joy to your homes and blessings to you and your families.

Merry Christmas!

Anita Gillard
Mayor
