Notice

June 15, 2018

To the Residents of: 52 Street and 49 Avenue

Border Paving Ltd. has been contracted by the Village of Clive to resurface the road in front of your home.

Starting on Tuesday June 19, weather permitting, we will begin shaping the gravel roadway for paving. We will be posting '**No Parking**' signs the day before work begins. Once reshaping has been completed our asphalt crew will come and pave a bottom lift. Border Paving will then apply a SS1 tack coat (oil) to the road. This oil when wet can be tracked onto driveways, sidewalks, and into your home. Border Paving Ltd. will not be responsible for oil tracked onto any surfaces. The paving crew will return the following day to complete the top lift of asphalt and the driveway tie-ins.

Please note that there will have limited access during our time in the area. Please talk to a crew member on-site if access is required.

We ask for your assistance to minimize traffic in the construction area to allow us to complete our work as quickly and safely as possible.

Thank you for your cooperation.

If you have any questions or concerns, please contact me at 403-596-5417.

Sincerely,
Border Paving Ltd.

Lynette Klootwyk
